WestGroupe Debuts FYSH 2020 Sun Collection

Select styles include F-2043, F-2048, F-2051 and F-2055. F-2043 features patterned Mazzucchelli acetate rims and a dropped bridge as well as thin metal temples, and is available in brown stripe gold, ocean turquoise and sunset gold.

F-2048 is a navigator style frame featuring glitter acetate outlined by geometric pressed patterned metal rims. It also features a subtle acetate shield along the outer rims and metal end pieces, and is available in black gold, ocean rose gold and raspberry gold. F-2051 is a round frame with pink tortoise acetate rims and subtle metal edging.

It is available in black gold, pink Havana rose gold and ivory gold, and features tinted monochromatic lenses. Finally, F-2055 features pearlized patterned acetate in a modified square shape with uplifted corners. It also features a drop bridge and vintage-inspired temples and is available in black speck gold, seafoam gold and ivory gold.

FYSH's 2020 Sun collection is full of bright colors, unique patterns and clever design elements that mix the latest trends with classic styles.
